## Bruce Goff Creative Mind Fred Jones

**fall 2010 - digitalbraries.ou** - the exhibit, "bruce goff: a creative mind," showcases the genius of the former director of the school of architecture and the creative spark he still ignites in others. that spark leapt barriers of time, space and disciplines when ghislain d'humieres, director of the au art museum, began circulating his idea for a goff exhibit. his plan was to showcase projects that had never been built or that ... **fjma-bruce goff**

**fall 2010 - university of oklahoma** - bruce goff: a creative mind is co-curated by d'humieres and scott w. perkins, curator of collections and exhibitions at the price tower arts center and editor of **fjma-goff lecture**

**oct 22 - university of oklahoma** - counterparts. the exhibition, bruce goff: a creative mind, brings previously unbuilt designs to life through a combination of original drawings, paintings and stunningly **og> '**
